Leave 'Connect automatically' ticked and click 'Connect'.

For your username enter your college log on username followed by '@borderscollege.ac.uk'

e.g.

## 00112233@borderscollege.ac.uk

For your username enter your college log on password.

Then click 'OK'

(i.	eduroam Secured					
	Enter your user name and password					
	Use my Windows user account					
	User name					
	Password					
	Connect using a certificate					
		Cancel				

## When asked if you wish to continue connecting click 'Connect'

(i.	eduroam Connecting					
	Continue connecting? If you expect to find eduroam in this location, go ahead and connect. Otherwise, it may be a different network with the same name. Show certificate details					
	Connect	Cancel				
e	borderscollege					

You should see 'eduroam' in your WiFi networks list with 'Connected, secured'.

Note – any proxy server settings should be turned **OFF** when using the Eduroam network.
