Android 8+ and IOS Geteduroam App method:

This method is not available for School Academy students as they are unable to install apps on school issued iPads.

- 1. Forget Eduroam WiFi network (got To WiFi option, find saved networks and forget Eduroam), if Eduroam has not been remembered before continue to next step.
- 2. Download Geteduroam App from Play Store
- 3. Open new App
- 4. Type Borders College in the "Select an Institution" field

Q Borders College
Next
<u> 1 0 П</u>
\triangleleft O \square

5. Provide your credentials (0011223@borderscollege.ac.uk and your college account password) and click "Connect To Network"

	Borders College
Username	
userna	me@borderscollege.ac.uk
Password	
*Note: if the c	onnection fails, please check your password

6. You should now see "Enjoy using Eduroam, WiFi is now configured on your device"

- 7. Close the App
- 8. If in range of Eduroam you should be automatically connected, if not find the network traditionally and press connect

Android Manual Method:

Forget Eduroam WiFi network (got To WiFi option, find saved networks and forget Eduroam) If Eduroam has not been remembered before continue to next step.
